

## IMPORTANT NOTICES

**Please read before completing application form**

Those that register for the **Free Mover Programme** will not receive an academic qualification. They will instead receive credits for exams that they pass.

Those interested in receiving an academic qualification at the University of Pisa must enrol in a [Degree Programme](#) and then follow the procedures and deadlines required by Italian law. These requirements will differ according to the applicants' nationality, type of residence and type of stay in Italy. More details can be found on [this web page](#).

Free Mover students are also **responsible for searching for their own accommodation** during their stay in Pisa and are **not able to apply for a scholarship** awarded by the Regional "Right to Study" Programme as these are reserved for students enrolled in a Course of Study at the University.
