

FAQ – English version – Contributo per le spese di locazione abitativa sostenute dagli studenti fuori sede per l'anno accademico 2023/2024

I was eligible for the previous public announcement for rent contributions for 2023 which took place last summer, can I also participate in this call?

Yes, the two public announcements are compatible as they refer to different academic years. However, you must not benefit from other public contributions or accommodation places in the academic year 2023/24.

Can I participate in this public announcement if I had an accommodation/accommodation contribution in the last academic year? What if I was eligible this year but I didn't accept?

You can participate in the public announcement if you do not benefit from accommodation or other public contributions in 2023/24.

I was the winner of a scholarship in the academic year 2023/24, can I participate in this public announcement?

Yes, the important thing is you do not use of an accommodation or an accommodation contribution in the academic year 2023/24.

What do I have to enter to prove payment of rent?

You must enter tax receipts or bank transfers that contain the following data: Beneficiary, Payer, amount and reason. It is not enough to send missing screenshots of the above data.

How many must there be the transfers attached? and to what period must the transfers refer?

To the period referred to in the art. 2 of the notice, i.e. just enter the receipts available from 1 September 2023 to the date of submission of the application. In their absence, if you have just signed the contract, the receipt of the deposit payment is also sufficient.

In which case should I insert the deposit?

ONLY in the case of a newly concluded lease, for which you do not yet have receipts for the monthly rent. Otherwise, you must enter the receipts of fees available from September 2023.

Who must sign the personal data processing form?

Only family members present in the ISEE who are adults must sign. You do not have to collect the signatures of those who receive the vouchers.

How are the the years of “fuori corso” calculated to be eligible to participate in the public announcement?

They are calculated from the year of enrollment at the University of Pisa, any course changes made subsequently do not reset the calculation to zero. For those enrolled in three-year and single-cycle master's degree courses, the university careers of the same study cycle are included in the calculation, excluding those completed by obtaining the qualification.

You must be enrolled no later than the second year of “fuori corso”, calculated as above.
